[24th March 1948.]

**B**E it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :—

PART I.

EXCHEQUER GRANTS AND OTHER FINANCIAL  
PROVISIONS (ENGLAND AND WALES).

*Discontinued grants.*

1. Save as otherwise provided by this Part of this Act—  
(a) no Exchequer grant shall be payable under the Local Government Acts, 1929 to 1946, for the year 1948–49 or any subsequent year; and
- Termination of certain Exchequer grants, and of third fixed grant period.

PART I.  
—cont.

- (b) the third fixed grant period shall for the purposes of all enactments be terminated at the end of March, nineteen hundred and forty-eight.

*Exchequer Grants to Counties and County Boroughs.*

Exchequer  
Equalisation  
Grants to  
counties and  
county  
boroughs.

2.—(1) Where for the year 1948–49 or any subsequent year the rateable value for a county or county borough is less than the standard rateable value for that county or county borough (as defined by the subsequent provisions of this Part of this Act), there shall be paid out of moneys provided by Parliament to the council of the county or county borough a grant equal to the relevant fraction (as so defined) of the amount of the difference.

(2) The said difference is in the subsequent provisions of this Part of this Act referred to as the rateable value credited to the county or county borough.

(3) Grants under this section are in the subsequent provisions of this Part of this Act referred to as “Exchequer Equalisation Grants.”

Meaning of  
“standard  
rateable  
value”.

3.—(1) The standard rateable value for a county or county borough for the purposes of the preceding provisions of this Part of this Act is the amount which bears to the weighted population of that county or county borough for the year in question the same proportion as the sum which is to be taken for the purposes of this subsection as the rateable value for England and Wales for that year bears to the aggregate of the weighted populations of all the counties and county boroughs in England and Wales for that year.

(2) In this section, the expression “the weighted population” in relation to a county or county borough means the population thereof plus the number of children under fifteen years of age therein and, in the case of a county the population whereof divided by the road-mileage thereof is less than seventy, plus also one-third of the additional population needed in order that the population thereof divided by the road-mileage thereof should be seventy.

(3) The sum which is to be taken for the purposes of subsection (1) of this section as the rateable value for England and Wales for any year is the rateable value for England and Wales for that year, increased, in the case of any year subsequent to the year 1948–49, to such extent, if any, as the Minister may direct in relation to that subsequent year.

(4) The power conferred on the Minister by the last preceding subsection to direct such increases as are therein referred to shall, as respects any year, be used for the purpose and only for the purpose of securing that the proportion which the aggregate of the rateable values credited to all the counties and county boroughs in England and Wales bears to the rateable value for England and Wales shall be as nearly as may be the same for

that year as for the year 1948-49; but the Minister shall not use the said power as respects any year unless the effect of the use thereof would be to increase the aggregate of the rateable values credited to all counties and county boroughs in England and Wales for that year by at least one per cent.

4.—(1) The relevant fraction for a county or county borough for the purposes of the preceding provisions of this Part of this Act is the fraction arrived at by dividing the relevant local expenditure for the year in question by the sum of the following amounts, that is to say, the rateable value credited to the county or county borough for that year and the product of a rate of one pound in the pound for the county or county borough for that year.

Meaning of "the relevant fraction".

(2) In this section, the expression "the relevant local expenditure" means so much of the total expenditure for the year—

(a) in the case of a county, of the council of the county and of the other local authorities in the county; and

(b) in the case of a county borough, of the council of the county borough,

as would have to be met out of rates levied within the county or county borough if no Exchequer Grants under this Part of this Act and (so far as any such Grant is relevant to the year in question) no Exchequer Grants payable for any previous year under the Local Government Acts, 1929 to 1946, were payable, and if no grants had been made out of moneys provided by Parliament to local authorities by the Minister by way of special assistance in respect of their financial difficulties arising out of the war.

(3) Where, by virtue of a precept or other instrument, not being a precept or instrument issued by a county council, any sum falls to be paid by a local authority to any other authority, the amount payable shall be treated for the purposes of subsection (2) of this section as expenditure of the first-mentioned authority.

(4) The provisions of subsection (2) of this section shall, as respects the year 1948-49, have effect subject to the special provisions relating to Exchequer Grants for that year contained hereafter in this Part of this Act.

5.—(1) The Minister shall estimate in relation to each county and county borough in England and Wales the sums specified in subsections (2) and (3) of this section, being, in every case, sums estimated for the year 1947-48.

Exchequer Transitional Grants for first five years.

(2) The Minister shall first estimate—

(a) the aggregate of all Exchequer Grants payable under the Local Government Acts, 1929 to 1946, to the council of the county or county borough or, in the case of a county, to any other local authority in the county, less

any contributions payable by the council of the county or county borough under section three of the Local Government (Financial Provisions) Act, 1937, section sixteen of the Old Age and Widows' Pensions Act, 1940, or section three of the Local Government (Financial Provisions) Act, 1946 ;

- (b) the aggregate of the grants payable to the local education authority for the county or county borough by virtue of regulations under section one hundred or section one hundred and one of the Education Act, 1944, or, where a joint education board has been constituted for the county or county borough, of the proper proportion of any such grants payable to that board ; and
- (c) the product of a rate of sixpence in the pound for the county or county borough.

## (3) The Minister shall then estimate—

- (a) the aggregate of so much of the expenditure incurred by the council of the county or county borough or, in the case of a county, by any other local authority in the county, in—

- (i) providing services which it will be the duty of the Minister to provide under Part II of the National Health Service Act, 1946 ; and

- (ii) performing any functions falling to be discontinued by virtue of any Act of the present Session terminating the existing poor law,

as would have had to be met out of rates levied in the county or county borough if no Exchequer Grants under the Local Government Acts, 1929 to 1946, and no contributions under section three of the Local Government (Financial Provisions) Act, 1937, section sixteen of the Old Age and Widows' Pensions Act, 1940, or section three of the Local Government (Financial Provisions) Act, 1946, had been payable ;

- (b) the sum which would have been the aggregate mentioned in paragraph (b) of subsection (2) of this section if for the regulations under the enactments mentioned in that paragraph there had been substituted the provisions of such regulations made thereunder as determined the grants payable for the year 1948-49 ;
- (c) the Exchequer Equalisation Grant, if any, which would have been payable to the council of the county or county borough if—

- (i) this Part of this Act had applied to the year 1947-48 as it applies to the year 1948-49 and the

third fixed grant period had been terminated thereby at the end of March nineteen hundred and forty-seven ; and

(ii) the sum estimated under paragraph (b) of this subsection had been payable under section one hundred and section one hundred and one of the Education Act, 1944, in lieu of the sums mentioned in paragraph (b) of subsection (2) of this section ; and

(iii) the first day of April, nineteen hundred and forty-seven had been both the appointed day for the purposes of Part II of the National Health Service Act, 1946, and the day appointed for the discontinuance of the functions falling to be discontinued by virtue of any Act of the present Session terminating the existing poor law, and the expenditure of the council of the county or county borough and, in the case of a county, of all other local authorities in the county, had been diminished accordingly.

Where, by virtue of a precept or other instrument, not being a precept or instrument issued by a county council, any sum falls to be paid by a local authority to any other authority in respect of the expenditure of that other authority in providing any services or performing any functions, the amount payable shall be treated for the purposes of this subsection as expenditure of the first-mentioned authority incurred by them in providing those services or performing those functions.

(4) If for any county or county borough the total of the sums estimated by the Minister under subsection (2) of this section exceeds the total of the sums so estimated under subsection (3) thereof, there shall be payable out of moneys provided by Parliament to the council of the county or county borough grants for the year 1948-49 and each of the four following years.

(5) The amount of the grant for the year 1948-49 shall be the amount of the said excess and the amounts of the grants for the four following years shall be respectively four-fifths, three-fifths, two-fifths and one-fifth of the amount of the said excess.

(6) Grants under this section are in the subsequent provisions of this Part of this Act referred to as " Exchequer Transitional Grants ".

6.—(1) The Minister may, subject to the provisions of this section, reduce any Exchequer Equalisation Grant or Exchequer Transitional Grant payable to a council by such amount as he thinks just, if—

Power to

PART I.  
—cont.

efficiency and progress in the discharge of their functions, regard being had to the standards maintained in other areas ; or

- (b) he is satisfied that the expenditure of the council has been excessive and unreasonable, regard being had to the financial resources and other relevant circumstances of the area.

(2) Before reducing any grant by virtue of this section, the Minister shall make and cause to be laid before Parliament a report stating the amount of the reduction, and the reasons therefor, and he shall not make the reduction until the said report is approved by a resolution of the Commons House of Parliament.

Provisions as  
to Health  
Service  
Exchequer  
Grants.

7.—(1) The amount of any grant payable out of moneys provided by Parliament under subsection (1) of section fifty-three of the National Health Service Act, 1946, to a local health authority shall, in lieu of being determined by regulations under the said subsection (1), be one-half of the expenditure in respect of which the grant is made.

(2) The provisions of the last preceding section shall apply in relation to grants payable under the said section fifty-three as they apply in relation to Exchequer Equalisation Grants and Exchequer Transitional Grants, subject to the following modifications, that is to say—

- (a) the reference in paragraph (a) of subsection (1) of that section to the discharge of their functions by the council shall be construed as a reference to the discharge of their functions under the National Health Service Act, 1946, by the local health authority ; and
- (b) the reference in paragraph (b) of the said subsection (1) to the expenditure of the council shall be construed as a reference to the expenditure of the local health authority under the said Act.

Power to pay  
council's  
contributions  
to voluntary  
associations  
out of sums  
payable as  
Exchequer  
grants.

8. Upon application being made to the Minister by the council of any county or county borough requesting that the contributions of the council towards the expenses of any voluntary association having as its object the promotion of public health services should be paid directly to the association out of an Exchequer Equalisation Grant or an Exchequer Transitional Grant to the council, the Minister may pay such contributions accordingly, and any payment so made by him shall be deemed to be a payment to the council on account of the Grant.

*Payments by county councils to local authorities  
in county.*Payments to  
county  
districts.

9.—(1) Before the beginning of the year 1948-49 and each subsequent year, the Minister shall estimate for the year in

relation to every county district in England and Wales the amount following, that is to say, the amount which is equal to the fraction hereinafter specified of the aggregate of the Exchequer Equalisation Grants which will become payable for that year to the councils of counties in England and Wales outside London, and the council of each county shall pay to the council of each county district in the county the amount so estimated by the Minister in relation to that district.

(2) The said fraction is—

(a) in the case of any county district other than a rural district, one-half of the population of the county district; and

(b) in the case of a rural district, one-quarter of the population of the rural district,

divided, in any case, by the aggregate of the population of all counties in England and Wales outside London.

(3) Any payment under this section may, if the councils concerned so agree, be effected in whole or in part by making the appropriate deduction from the amount due under a precept.

10.—(1) In the year 1948–49 and every subsequent year, the London County Council shall pay to the councils of the metropolitan boroughs mentioned in subsection (2) of this section such sums as may be prescribed in relation to those boroughs respectively by a scheme to be made by the Minister after consultation with the London County Council, the Common Council of the City of London and any association or committee which appears to the Minister to be representative of metropolitan borough councils.

Payments to  
metropolitan  
boroughs.

(2) The metropolitan boroughs to the councils of which payments are to be made under subsection (1) of this section are the boroughs the rateable values for which are less than the standard rateable value as defined by the scheme.

(3) Any payment under a scheme made under this section shall, if the scheme so provides, be effected in whole or in part by making the appropriate deduction from the amount due under a precept.

(4) Any scheme under this section may be revoked or varied by any subsequent scheme made in like manner as the original scheme.

(5) No reduction or increase in the amount to be contributed by a separately rated area in London towards the amount required to be levied by rate for general county purposes shall be made for the year 1948–49 or any subsequent year by virtue of section one hundred of the Local Government Act, 1929, or of any scheme under section seven of the Local Government (Financial Provisions) Act, 1937.

12.—(1) This section shall have effect as respects the following enactments (which contain financial provisions relating to the third fixed grant period), that is to say—

- (c) section four of the Midwives Act, 1936, and section two of the Cancer Act, 1939, (under which Exchequer grants are payable in respect of expenditure imposed by those Acts).

(2) Notwithstanding the preceding provisions of this Part of this Act, the third fixed grant period shall not for the purposes of any of the said enactments be deemed to have terminated until immediately before the day which is the appointed day for the purposes of Part II of the National Health Service Act, 1946, and payments shall be made accordingly ; and, without prejudice to the generality of the preceding words, payments shall be made under schemes made under section ninety-three of the Local Government Act, 1929, as if there had continued to be county apportionments :

Provided that any sum payable by the Minister by virtue of this section under any such scheme as is mentioned in paragraph (a) or paragraph (b) of subsection (1) of this section shall be paid by him out of the Exchequer Transitional Grant or Exchequer Equalisation Grant, if any, of the county or county borough council in question for the year 1948-49 and, in so far as it cannot be so paid, shall be paid out of moneys to be paid to the Minister by that council.

(3) If the date on which any of the said enactments ceases to be in force (either by virtue of an Order in Council fixing an appointed day under the National Health Service Act, 1946, or of any Act of the present Session terminating the existing poor law) is a date before the end of the year 1948-49, the enactment in question and any relevant scheme made thereunder shall have effect so as to require the sum to be set aside or paid for the said year under that enactment or scheme to be the appropriate fraction of the estimated amount which would have been so set aside or paid if the said enactment had continued in force for the whole of the said year.

The appropriate fraction is the number of days in the period beginning with the first day of the said year and ending immediately before the date on which the enactment ceases to be in force divided by three hundred and sixty-five.

(4) Any scheme made under any of the enactments mentioned in paragraph (a) or paragraph (b) of subsection (1) of this section which, by virtue of this section, continues in operation on or after the first day of April, nineteen hundred and forty-eight, may be altered or revoked by a subsequent scheme made at any time between that date and the date when the enactment in question ceases to be in force as aforesaid.

13.—(1) The provisions of this section shall have effect if the appointed day for the purposes of Part II of the National Health Service Act, 1946, is after the beginning of, but within, the year 1948-49.

Special provisions as to Exchequer Grants for 1948-49.

(2) The Minister shall ascertain, in relation to every county and county borough in England and Wales, the total amount of the Exchequer Grants payable under the Local Government Acts, 1929 to 1946—

(a) in the case of a county, to the council of the county or to any other local authority in the county;

(b) in the case of a county borough, to the council of the county borough,

for the year 1947-48.

(3) The Minister shall then ascertain, in relation to each such county and county borough as aforesaid, the amount of the contributions payable under section three of the Local Government (Financial Provisions) Act, 1937, section sixteen of the Old Age and Widows' Pensions Act, 1940, and section three of the Local Government (Financial Provisions) Act, 1946, by the council of the county or county borough for the year 1947-48.

(4) There shall be paid out of moneys provided by Parliament to each such county or county borough as aforesaid such sum as bears to the excess of the amount estimated under subsection (2) of this section in relation to the county or county borough over

PART I.  
—cont.

the amount estimated under subsection (3) of this section in relation thereto the like proportion as the number of days in the part of the year 1948-49 which precedes the appointed day for the purposes of Part II of the National Health Service Act, 1946 bears to the number of days in the whole of that year.

(5) The amounts paid under the last preceding subsection shall be paid in addition to any sum otherwise payable by way of Exchequer Equalisation Grant, for the year 1948-49 but shall, subject to the provisions of the two succeeding subsections, be treated for the purposes of this Part of this Act as, or, as the case may be, as part of, the Exchequer Equalisation Grant to the council in question for that year, and references in this Part of this Act to Exchequer Equalisation Grants shall be construed accordingly.

(6) In computing the amount of the Exchequer Equalisation Grant falling to be made apart from the preceding provisions of this section to any council for the year 1948-49, the relevant fraction for that council shall be ascertained as if the relevant local expenditure were diminished by the amount payable under subsection (4) of this section.

(7) In computing the amounts of the Exchequer Transitional Grants, the amounts payable under subsection (4) of this section shall be left out of account.

Investigation  
into working  
of provisions  
as to amount  
of payments  
to local  
authorities  
under Part I.

14.—(1) In the year in which the first new valuation lists under Part III of this Act come into force and every fifth subsequent year, the Minister shall, in consultation with such associations of local authorities as appear to him to be concerned and with any local authority with whom consultation appears to him to be desirable, cause investigations to be made into the working of this Part of this Act (due regard being had, amongst other things, to the sums falling to be paid to local authorities under Part V of this Act).

(2) The Minister shall cause a report of the result of any investigation under this section to be laid before Parliament.

Supplemental  
provisions as  
to Part I.

15.—(1) The Minister may make regulations for carrying this Part of this Act into effect and in particular—

(a) for determining the manner in which, subject to the express provisions of this Part of this Act, any calculation or estimate is to be made for any of the purposes of this Part of this Act and, in particular, for determining—

(i) the authority or person by or to whom any information required for the said purposes is to be given and the time at which and the form in which it is to be given ;

(ii) the adjustments to be made for any abnormal treatment of income or expenditure in accounts ;

- (b) for determining the times at which payments in respect of Exchequer Equalisation Grants and Exchequer Transitional Grants and payments by local authorities under this Part of this Act are to be made ;
- (c) for providing that the calculations or estimates by reference to which any payments or grants are made may be treated as either conclusive or provisional or conclusive for some purposes and provisional for other purposes and, in so far as they are treated as provisional, for the making of further calculations or estimates based on information not previously available and for adjusting, in the light thereof, any payments or grants already made;
- (d) for modifying the operation of this Part of this Act in relation to any authority if and in so far as any such modification is required in relation to that authority in consequence of any alterations or combinations of authorities or alterations of boundaries :

Provided that regulations shall not be made under paragraph (b) of this subsection with respect to Exchequer Equalisation Grants or Exchequer Transitional Grants except with the consent of the Treasury.

(2) The population of an area and the number of children under fifteen years of age in an area shall be calculated for the purposes of this Part of this Act by reference to estimates of the Registrar-General of Births, Deaths and Marriages, and the road-mileage of an area shall be taken for the purposes of this Part of this Act to be the total mileage of highways in that area repairable by the inhabitants at large as estimated by the Minister of Transport.

16. This Part of this Act shall not extend to Scotland.

PART II.  
—*cont.*

burgh (as defined by the subsequent provisions of this Part of this Act), there shall be paid out of moneys provided by Parliament to the council of the county or large burgh a grant equal to the relevant fraction (as so defined) of the amount of the difference.

(2) The said difference is in the subsequent provisions of this Part of this Act referred to as the rateable value credited to the county or large burgh.

(3) Grants under this section are in the subsequent provisions of this Part of this Act referred to as “ Exchequer Equalisation Grants.”

Meaning of  
“ standard  
rateable value.”

19.—(1) The standard rateable value for a county or large burgh for the purposes of the preceding provisions of this Part of this Act is the amount which bears to the weighted population of that county or large burgh for the year in question the same proportion as the sum which is to be taken for the purposes of subsection (1) of section three of this Act as the rateable value for England and Wales for that year increased by twenty-five per cent. bears to the aggregate of the weighted populations of all the counties and county boroughs in England and Wales for that year within the meaning of the said section three.

(2) In this section, the expression “ the weighted population ” in relation to a county or large burgh in Scotland means the population thereof plus the number of children under fifteen years of age therein and, in the case of a county the population whereof divided by the road-mileage thereof is less than seventy, plus also one-third of the additional population needed in order that the population thereof divided by the road-mileage thereof should be seventy.

Meaning of  
“ the relevant  
fraction.”

20.—(1) The relevant fraction for a county or large burgh for the purposes of the preceding provisions of this Part of this Act is the fraction arrived at by dividing the relevant local expenditure for the year in question by the sum of the following amounts, that is to say, the rateable value credited to the county or large burgh for that year and the product of a rate of one pound in the pound for the county or large burgh for that year.

(2) In this section, the expression “ the relevant local expenditure ” means in relation to any county or large burgh so much of the total expenditure for the year as would have to be met out of rates levied within the county or large burgh if no Exchequer Grants under this Part of this Act and (so far as any such Grant is relevant to the year in question) no Exchequer Grants payable for any previous year under the Local Government (Scotland) Acts, 1929 to 1946, were payable, and if no

grants had been made out of moneys provided by Parliament to the council of the county or burgh by the Secretary of State by way of special assistance in respect of their financial difficulties arising out of the war.

PART II.  
—cont.

(3) The provisions of subsection (2) of this section shall, as respects the year 1948-49, have effect subject to the special provisions relating to Exchequer Grants for that year contained hereafter in this Part of this Act.

21.—(1) The Secretary of State shall estimate in relation to each county and large burgh in Scotland the sums specified in subsections (2) and (3) of this section, being, in every case, sums estimated for the year 1947-48.

Exchequer  
Transitional  
Grants for first  
five years.

(2) The Secretary of State shall first estimate—

(a) the aggregate of all Exchequer Grants payable under the Local Government (Scotland) Acts, 1929 to 1946, to the council of the county or large burgh, less any contributions payable by the council of the county or large burgh under section sixteen of the Old Age and Widows' Pensions Act, 1940;

(b) in the case of a burgh being a county of a city, the grant payable to the council in accordance with regulations under paragraph (12) of section seventy of the Education (Scotland) Act, 1946; in the case of a county, the grant payable as aforesaid to the council under deduction of the proper proportion thereof applicable to any large burgh situate in the county; and in the case of a large burgh not being a county of a city, the proper proportion applicable thereto of the grant payable as aforesaid to the council of the county in which such burgh is situate; and

9 & 10 Geo. 6.  
c. 72.

(c) the product of a rate of four and four-fifths pence in the pound for the county or large burgh.

(3) The Secretary of State shall then estimate—

(a) the aggregate of so much of the expenditure incurred by the council of the county or large burgh in—

(i) providing services which it will be the duty of the Secretary of State to provide under Part II of the National Health Service (Scotland) Act, 1947; and

10 & 11 Geo. 6.  
c. 27.

(ii) performing any functions falling to be discontinued by virtue of any Act of the present Session terminating the existing poor law, as would have had to be met out of rates levied in the county or large burgh if no Exchequer Grants under the Local Government (Scotland) Acts, 1929

PART II.  
—cont.

to 1946, and no contributions under section sixteen of the Old Age and Widows' Pensions Act, 1940, had been payable;

(b) the sum which would have been the sum required to be estimated in accordance with paragraph (b) of subsection (2) of this section if for the regulations under the enactment mentioned in that paragraph there had been substituted the provisions of such regulations made thereunder as determined the grants payable for the year 1948-49;

(c) the Exchequer Equalisation Grant, if any, which would have been payable to the council of the county or large burgh if—

(i) this Part of this Act had applied to the year 1947-48 and the third fixed grant period had terminated on the sixteenth day of May, nineteen hundred and forty-seven; and

(ii) the sum estimated under paragraph (b) of this subsection had been payable under paragraph (12) of section seventy of the Education (Scotland) Act, 1946, in lieu of the sum mentioned in paragraph (b) of subsection (2) of this section; and

(iii) the sixteenth day of May, nineteen hundred and forty-seven had also been both the appointed day for the purposes of Part II of the National Health Service (Scotland) Act, 1947, and the day appointed for the discontinuance of the functions falling to be discontinued by virtue of any Act of the present Session terminating the existing poor law, and the relevant local expenditure in relation to the county or large burgh had been diminished accordingly.

(4) If for any county or large burgh the total of the sums estimated by the Secretary of State under subsection (2) of this section exceeds the total of the sums so estimated under subsection (3) thereof, there shall be payable out of moneys provided by Parliament to the council of the county or large burgh grants for the year 1948-49 and each of the four following years.

(5) The amount of the grant for the year 1948-49 shall be the amount of the said excess and the amounts of the grants for the four following years shall be respectively four-fifths, three-fifths, two-fifths and one-fifth of the amount of the said excess.

(6) Grants under this section are in the subsequent provisions of this Part of this Act referred to as "Exchequer Transitional Grants".

22.—(1) The Secretary of State may, subject to the provisions of this section, reduce any Exchequer Equalisation Grant or Exchequer Transitional Grant payable to a council by such amount as he thinks just, if—

PART II.  
—cont.

Power to

(a) he is satisfied, either upon representations made to him or without any such representations, that the council have failed to achieve or maintain a reasonable standard of efficiency and progress in the discharge of their functions, regard being had to the standards maintained in other areas; or

(b) he is satisfied that the expenditure of the council has been excessive and unreasonable, regard being had to the financial resources and other relevant circumstances of the area.

(2) Before reducing any grant by virtue of this section the Secretary of State shall make and cause to be laid before Parliament a report stating the amount of the reduction, and the reasons therefor, and he shall not make the reduction until the said report is approved by a resolution of the Commons House of Parliament.

23.—(1) The amount of any grant payable out of moneys provided by Parliament under subsection (1) of section fifty-three of the National Health Service (Scotland) Act, 1947, to a local health authority shall, in lieu of being determined by regulations under the said subsection (1), be one-half of the expenditure in respect of which the grant is made.

Provisions as to  
Health Service  
Exchequer  
Grants.

(2) The provisions of the last preceding section shall apply in relation to grants payable under the said section fifty-three as they apply in relation to Exchequer Equalisation Grants and Exchequer Transitional Grants, subject to the following modifications, that is to say—

(a) the reference in paragraph (a) of subsection (1) of that section to the discharge of their functions by the council shall be construed as a reference to the discharge of their functions under the National Health Service (Scotland) Act, 1947, by the local health authority; and

(b) the reference in paragraph (b) of the said subsection (1) to the expenditure of the council shall be construed as a reference to the expenditure of the local health authority under the said Act.

24.—(1) Upon application being made to the Secretary of State by the council of any county or large burgh requesting that the contributions of the council towards the expenses of any voluntary association having as its object the promotion of public health services should be paid directly to the association out of an Exchequer Equalisation Grant or an Exchequer

19 & 20 Geo. 5.  
c. 25. (2) References in any enactment to section sixty-eight of the Local Government (Scotland) Act, 1929, and to the General Exchequer Grant, shall be construed respectively as references to the last foregoing subsection, and to the Exchequer Equalisation Grant or Exchequer Transitional Grant.

*Payments out of Exchequer Equalisation Grant to  
small burghs and landward areas.*

Payments to  
small burghs  
and landward  
areas.

25.—(1) For the year 1948-49 and each subsequent year, there shall—

- (a) be paid to the council of each small burgh; and
- (b) be set aside for behoof of the landward area of each county,

the sums hereinafter specified.

(2) The said sums shall be arrived at as follows:—

- (a) a sum equal to one-half of the aggregate of Exchequer Equalisation Grants payable under this Part of this Act for that year to the county councils shall be divided by the aggregate of the populations of the counties;
- (b) the sum to be paid to the council of a small burgh shall be the sum ascertained under the last foregoing paragraph multiplied by the population of the burgh;
- (c) the sum to be set aside for behoof of the landward area of a county shall be such sum as amounts to two-thirds of the sum ascertained under paragraph (a) of this subsection multiplied by the population of the landward area.

(3) The sums payable under the foregoing provisions of this section to the council of a small burgh or to be set aside for behoof of the landward area of a county shall be paid by the Secretary of State to the council of the burgh, or the council of the county as the case may be, and shall be deducted from the Exchequer Equalisation Grant payable to the council of the county comprising the small burgh or the landward area as the case may be:

Provided that, if no such Grant is payable to the county council, or if the Grant so payable is insufficient to pay the sums due to the small burgh and the landward area, those sums, or the balance thereof as the case may be, shall be recoverable by the Secretary of State from the county council,

and any sum so recoverable shall be deemed to be expenditure on functions for which small burghs are included within the county.

PART II.

*Miscellaneous.*

26. No provision shall be made for any payment to a local authority under subsection (1) of section one hundred and forty-two of the Local Government (Scotland) Act, 1947, in respect of any increase of burden due to an alteration of boundaries or other change taking place after the end of the year 1947-48.

Discontinuance of burden payments on changes of boundary.  
10 & 11 Geo. 6. c. 43.

27.—(1) This section shall have effect as respects the following enactments (which contain financial provisions relating to the third fixed grant period), that is to say section three of the Maternity Services (Scotland) Act, 1937 and section two of the Cancer Act, 1939, (under which Exchequer grants are payable in respect of expenditure imposed by those Acts).

Continuation of third fixed grant period for certain purposes.  
1 Edw. 8. and 1 Geo. 6. c. 30.

(2) Notwithstanding the preceding provisions of this Part of this Act, the third fixed grant period shall not for the purposes of either of the said enactments be deemed to have terminated until immediately before the day which is the appointed day for the purposes of Part II of the National Health Service (Scotland) Act, 1947, and payments shall be made accordingly.

(3) If the date on which either of the said enactments ceases to be in force (either by virtue of an Order in Council fixing an appointed day under the National Health Service (Scotland) Act, 1947, or of any Act of the present Session terminating the existing poor law) is a date before the end of the year 1948-49, the enactment in question shall have effect so as to require the sum to be set aside or paid for the said year under that enactment to be the appropriate fraction of the estimated amount which would have been so set aside or paid if the said enactment had continued in force for the whole of the said year.

The appropriate fraction is the number of days in the period beginning with the first day of the said year and ending immediately before the date on which the enactment ceases to be in force divided by three hundred and sixty-five.

28.—(1) The provisions of this section shall have effect if the appointed day for the purposes of Part II of the National Health Service (Scotland) Act, 1947, is after the beginning of, but within, the year 1948-49.

Special provisions as to Exchequer Grants for 1948-49.

(2) The Secretary of State shall ascertain, in relation to every county and large burgh in Scotland, the total amount of the Exchequer Grants payable under the Local Government (Scotland) Acts, 1929 to 1946, to the council of the county or burgh for the year 1947-48.

PART II.  
—cont.

(3) The Secretary of State shall then ascertain, in relation to each such county and large burgh as aforesaid, the amount of the contribution payable under section sixteen of the Old Age and Widows' Pensions Act, 1940, by the council of the county or burgh for the year 1947-48.

(4) There shall be paid out of moneys provided by Parliament to the council of each such county or large burgh as aforesaid such sum as bears to the excess of the amount estimated under subsection (2) of this section in relation to the county or large burgh over the amount estimated under subsection (3) of this section in relation thereto the like proportion as the number of days in the part of the year 1948-49 which precedes the appointed day for the purposes of Part II of the National Health Service (Scotland) Act, 1947, bears to the number of days in the whole of that year.

(5) The amounts paid under the last preceding subsection shall be paid in addition to any sum otherwise payable by way of Exchequer Equalisation Grant for the year 1948-49 but shall, subject to the provisions of the two succeeding subsections, be treated for the purposes of this Part of this Act as, or, as the case may be, as part of, the Exchequer Equalisation Grant to the council in question for that year, and references in this Part of this Act to Exchequer Equalisation Grants shall be construed accordingly.

(6) In computing the amount of the Exchequer Equalisation Grant falling to be made apart from the preceding provisions of this section to any council for the year 1948-49, the relevant fraction for that council shall be ascertained as if the relevant local expenditure were diminished by the amount payable under subsection (4) of this section.

(7) In computing the amounts of the Exchequer Transitional Grants, the amounts payable under subsection (4) of this section shall be left out of account.

Application of  
Grants  
payable under  
Part II.

29. All sums received by a county council by way of Exchequer Equalisation Grant or Exchequer Transitional Grant shall be applied towards meeting the expenditure of the council (other than any part thereof apportioned and allocated to large burghs in respect of education or police) on all purposes for which the county council exercise functions throughout the whole county, including the small burghs therein, and all sums so received by the town council of a large burgh, and all sums received by the town council of a small burgh under section twenty-five of this Act, shall be applied proportionately towards meeting the expenditure which but for the said sums would

be defrayed out of those portions of the burgh rate as are respectively payable—

Investigation into working of provisions as to amount of payments to local authorities under Part II.

Provided that if the Secretary of State is satisfied on representations made to him by any local authority or by any such association as aforesaid that the first of the said investigations should be made in a year prior to the year 1952-53, he shall cause an investigation to be made in that prior year, and in that event the foregoing provisions of this section shall have effect with the substitution of that prior year for the year 1952-53 or such later year as aforesaid.

(2) The Secretary of State shall cause a report of the result of any investigation under this section to be laid before Parliament.

- (ii) the adjustments to be made for any abnormal treatment of income or expenditure in accounts;

- (b) for determining the times at which payments in respect of Exchequer Equalisation Grants and Exchequer Transitional Grants and payments by local authorities under this Part of this Act are to be made;

PART II.

- (d) for modifying the operation of this Part of this Act in relation to any authority if and in so far as any such modification is required in relation to that authority in consequence of any alterations or combinations of authorities or alterations of boundaries:

Provided that regulations shall not be made under paragraph (b) of this subsection with respect to Exchequer Equalisation Grants or Exchequer Transitional Grants except with the consent of the Treasury.

(2) The population of a county (exclusive of any burgh situate therein) or of any burgh in Scotland and the number of children under fifteen years of age in a county or large burgh in Scotland shall be calculated for the purposes of this Part of this Act by reference to estimates of the Registrar-General of Births, Deaths and Marriages in Scotland, and the road-mileage of an area shall be taken for the purposes of this Part of this Act to be the total mileage of highways maintained and managed by local authorities or by the Minister of Transport in that area as estimated by the Minister of Transport.

(3) In this Part of this Act, the expression “ the valuation officer ”, in relation to a valuation list, means such officer of the Commissioners of Inland Revenue as may for the time being be authorised by the Commissioners to act (either generally or for the particular purpose in question) as the valuation officer in relation to that list.

(6) The list for any rating area settled, signed and sent to the rating authority as aforesaid shall, as from the date when it comes into force and subject to any alterations made in accordance with this Part of this Act, be the valuation list for the rating area, and any failure on the part of a valuation officer to complete any proceedings with respect to the preparation, revision or settling and signing of the list within the time required by this Part of this Act, or any omission from the list of any matters required by law to be included therein, shall not of itself render the list invalid; and, until the contrary is proved, the list shall be deemed to have been duly made in accordance with the provisions of this Part of this Act.

- (b) specify the grounds on which the proposed alteration is supported ;
- (c) comply with any requirements of any regulations made by the Minister with respect to the form of proposals and otherwise with respect to the making thereof.

- (a) the occupier of the hereditament to which the proposal relates ; and
- (b) the rating authority for the area in which the hereditament in question is situated :

Provided that a copy of the proposal need not be transmitted under this subsection to the occupier of the hereditament (not being the rating authority) where the proposal is made otherwise than by the valuation officer and the alteration asked for by the proposal consists only of a reduction in any value ascribed to the hereditament.

(3) Any of the following persons, that is to say, the owner or occupier of the whole or any part of a hereditament to which a proposal relates or the rating authority for the area in which the

hereditament is situated may, within twenty-one days from the date on which notice is served under subsection (2) of this section on the occupier or, in the case of the rating authority (where they are not the occupier), on the rating authority, serve on the valuation officer notice in writing of objection to the proposal, and the valuation officer shall, within seven days of the date on which a notice of objection is served on him, transmit a copy thereof to the maker of the proposal.

(4) Where the proposal is made otherwise than by the valuation officer, the valuation officer may, within twenty-one days from the date on which the proposal is served on him, serve on the maker of the proposal notice in writing of objection to the proposal.

(5) Where, on the expiration of the times limited by subsections (3) and (4) of this section for the service of notice of objection, no such notice has been served or where every such notice is unconditionally withdrawn, the valuation officer shall cause such alteration to be made in the list as will give effect to the proposal.

(6) Where notice of objection is made and is not unconditionally withdrawn—

(a) the person making the proposal may, by notice of appeal served within the time and on the persons hereinafter mentioned, appeal against the objection to a local valuation court; and

(b) no alteration shall be made in the list in pursuance of the proposal except where notice of appeal is given as aforesaid and then only either—

(i) in pursuance of the directions of a court or arbitrator given under the subsequent provisions of this Part of this Act; or

(ii) by agreement between all the persons entitled to be heard on the appeal.

(7) A notice of appeal under this section shall be in writing, shall be served within twenty-one days from the date when a copy of the notice of objection is received by the appellant or, as the case may be, from the service on the appellant of the notice of objection, and shall be so served—

- (c) where the valuation officer has neither made the objection nor is himself the appellant, on the valuation officer.

Effect of  
alterations  
made in  
pursuance of  
proposals.

42.—(1) Subject to the provisions of this section, an alteration made in the valuation list in pursuance of a proposal (whether under the last preceding section or under the directions of a court or arbitrator given by virtue of the subsequent provisions of this Part of this Act) shall, in relation to any rate current at the date when the proposal in pursuance of which the amendment so made was served on the valuation officer, or, where the proposal was made by the valuation officer, current at the date when notice of the proposal was served on the occupier of the hereditament in question, be deemed to have had effect as from the commencement of the period in respect of which the rate was made, and shall, subject to the provisions of this section, have effect for the purposes of any subsequent rate.

(2) Notwithstanding anything in subsection (1) of this section, an alteration in the valuation list which either—

- (a) consists of the inclusion in the valuation list of a newly erected or newly constructed hereditament or an altered hereditament which has been out of occupation on account of structural alterations ; or
- (b) is made by reason of a change in the value of a hereditament caused by the making of structural alterations or by the total or partial destruction of any building or other erection by fire or any other physical cause ; or
- (c) is made by reason of any hereditament having become or ceased to be an agricultural, industrial or freight transport hereditament, or of a change in the proportion in which an industrial or freight transport hereditament is occupied and used for industrial or, as the case may be, transport purposes and for other purposes respectively ; or
- (d) is made by reason of any hereditament becoming or ceasing to be a hereditament which, under Part V of this Act, is not liable to be rated ; or
- (e) is made by reason of any change in the extent to which a railway or canal hereditament, as defined for the purposes of Part V of this Act, is occupied for non-rateable purposes, as so defined ; or
- (f) is made by reason of any property previously rated as a single hereditament becoming liable to be rated in parts ; or
- (g) is made by reason of any property previously rated in parts becoming liable to be rated as a single hereditament.

shall have effect only as from the date when the new or altered hereditament comes into occupation, or as from the happening of the event by reason of which the alteration is made, as the case may be.

(3) Where in pursuance of a proposal an alteration is made in the valuation list which affects the amount of any rate levied in respect of any hereditament in accordance with the list, the difference, if too much has been paid, shall be repaid or allowed or, if too little has been paid, shall be paid and may be recovered as if it were arrears of the rate.

43. The valuation officer may at any time cause to be made in a valuation list any alteration which is necessary to correct any clerical or arithmetical error therein and the list shall have effect accordingly, but if the alteration is made in respect of any matter other than totals, the officer shall, before causing the alteration to be made, send notice thereof to the occupier of the hereditament affected and to the rating authority of the rating area, and shall allow fourteen days to elapse during which any person concerned may object to the proposed alteration.

(3) No scheme submitted to the Minister under this section shall be of any effect unless and until it is approved by the Minister, and the Minister, after considering any objections to the scheme which may be submitted to him by persons appearing to him to be interested, may approve the scheme with or without modifications.

(4) If, on the expiration of nine months from the date of the coming into force of this section, there remains any area which is not covered by any of the schemes which have by then been submitted under this section, or which is covered only by a scheme which the Minister is not prepared to approve, the Minister may himself make a scheme for the constitution of a local valuation panel or local valuation panels for that area, and the scheme when so made shall have effect as if it had been submitted by the council of the county or county borough in question or, as the case may be, by the councils of all the counties and county boroughs in question, and had been approved by the Minister.

(5) Any scheme made under this section may be revoked or varied—

(a) by a new scheme made and submitted to and approved by the Minister in accordance with the provisions (subject to any necessary modification) of subsections (1) to (3) of this section ; or

- (b) for the appointment of one of those members as chairman of the panel and not more than two of the other members as deputy chairmen thereof ;
- (c) subject to the provisions of the last but one preceding section, for the manner in which members of local valuation courts are to be selected from members of the panel.

Provided that—

- (a) a disqualification attaching to a person under this subsection by reason of his having been adjudged bankrupt shall cease—
  - (i) if the bankruptcy is annulled on the ground that he ought not to have been adjudged bankrupt or that his debts have been paid in full, on the date of the annulment ; or
  - (ii) if he is discharged with a certificate that the bankruptcy was caused by misfortune without any misconduct on his part, on the date of his discharge ; or
  - (iii) in any other case, on the expiration of five years from the date of his discharge ;

PART III.  
—cont.

- (b) a disqualification attaching to a person under this section by reason of his having made a composition or arrangement with his creditors shall cease—

(2) The expenses of every such panel, including the expenses of the local valuation courts from time to time constituted from the members thereof, shall be defrayed by the Minister out of moneys provided by Parliament.

(3) Minutes of the proceedings of a valuation panel and of the local valuation courts constituted from members thereof shall be kept in books provided for that purpose, and a minute of any such proceedings signed—

(a) shall, unless the court otherwise order, on the application of any party to the appeal and upon being satisfied that the interests of either party would be prejudicially affected, sit in public ;

(b) may take evidence on oath and shall have power for that purpose to administer oaths.

(3) On the hearing of an appeal to a local valuation court—

(a) the appellant ; and

(b) the valuation officer, when he is not the appellant ; and

(c) the owner or occupier of the hereditament to which the appeal relates, when he is not the appellant ; and

49.—(1) Any person who, in pursuance of the last preceding section, appeared before a local valuation court on the hearing of an appeal and is aggrieved by the decision of the court thereon may, within twenty-one days from the date of the decision, appeal to the county court for the county court district in which

(2) The Lord Chancellor may by order—

- (a) combine two or more county court districts for the purposes of this section or direct that the whole or any part of a county court district shall for those purposes be deemed to be included in another county court district ;
- (b) where he combines two or more county court districts as aforesaid, make such provision as he thinks fit as to the judge who is to exercise the jurisdiction conferred by this section with respect to the combined districts, and as to the place at which the court for the combined districts is to be held.

Any order made under this subsection may contain such consequential and incidental provisions as appear to the Lord Chancellor to be necessary or expedient and may be revoked or varied by a subsequent order.

(3) The Minister may by regulations provide, in relation to hereditaments the value of which is or may be ascertained by reference to accounts, receipts or profits of an undertaking carried on thereon, that jurisdiction under this section shall, to such extent as may be specified in the regulations, be exercised, as respects all or any of the hereditaments occupied for the purposes of the undertaking, by such one of the county courts within whose districts any of those hereditaments are situated as may be specified by or under the regulations.

(2) The Arbitration Acts, 1889 to 1934, shall apply to any such arbitration.

(3) The award in any such arbitration may include any directions which might under this Part of this Act have been given by the local valuation court or county court and effect shall be given to those directions as if they had been given by that court.

Part III.

#### PART IV.

#### VALUATION OF DWELLING-HOUSES.

##### *Gross values ; Preliminary.*

74.—(1) For the purpose of making or altering the first valuation lists made after the passing of this Act and subsequent lists, the gross value for rating purposes of a dwelling-house, instead of being ascertained by reference to the definitions of gross value in section sixty-eight of the Rating and Valuation Act, 1925, and section four of the Valuation (Metropolis) Act, 1869, shall be ascertained in accordance with the following provisions of this Part of this Act.

Scope of  
provisions of  
Part IV as to  
gross values.

PART IV.  
—cont.

(2) For the purposes of this Part of this Act, the expression “dwelling-house” means a hereditament used wholly or mainly for the purposes of a private dwelling or private dwellings, with or without any garage, outhouse, garden, yard, court, forecourt or other appurtenances.

(3) Nothing in this section, or in the other provisions of this Part of this Act relating to the ascertainment of gross values, shall apply to any dwelling-house to which section fifty-nine of the Pluralities Act, 1838 (which relates to certain dwelling-houses the letting of which is restricted) applies, and references in this section and in the said other provisions of this Part of this Act to dwelling-houses do not include references to any such dwelling-house.

*Ascertainment of gross values by reference to 1938 cost.*

Scope of  
principle that  
gross value  
is to be  
ascertained  
by 1938 cost.

75.—(1) Subject to the provisions of this section, the gross values of the following dwelling-houses, that is to say—

- (a) post-1918 local authority or housing association dwelling-houses, including flats and maisonettes ; and
- (b) to the extent hereinafter specified, small post-1918 dwelling-houses, not being local authority or housing association dwelling-houses and not being flats or maisonettes,

shall be ascertained in the manner provided by the subsequent provisions of this Part of this Act by reference to the hypothetical 1938 cost of construction, and the hypothetical 1938 site cost, as defined in the two next succeeding sections, of those dwelling-houses or the buildings of which they form part :

Provided that the preceding provisions of this subsection shall not apply to any dwelling-house to which section seventy-two of the Local Government Act, 1929 (which relates to agricultural dwelling-houses) applies, and references to dwelling-houses in the subsequent provisions of this Part of this Act relating to the ascertainment of gross values by reference to the matters mentioned in this subsection or either of them do not include references to any dwelling-house to which the said section seventy-two applies.

(2) Any reference in this Part of this Act to a local authority or housing association dwelling-house shall be construed as a reference to—

- (a) a dwelling-house erected by, or by arrangement with, a local authority or by a housing association as defined for the purposes of the Housing Act, 1936, and owned by a local authority or such a housing association as aforesaid ; or

26 Geo. 5. and  
1 Edw. 8. c. 51.

PART IV.

—cont.

7 & 8 Geo. 6.  
c. 36.

(b) a structure made available under section one of the Housing (Temporary Accommodation) Act, 1944, for use by a local authority for the provision of temporary housing accommodation ; or

(c) any other structure of a temporary nature used as a dwelling-house by virtue of any tenancy under or licence from a local authority.

(3) Any reference in this Part of this Act to a flat or maisonette shall be construed as a reference to a dwelling-house which forms part of a larger building :

Provided that—

(a) in considering for the purpose of this section whether or not a dwelling-house forms part of a larger building, garages, outhouses, gardens, yards, courts, forecourts and other appurtenances shall be left out of account ; and

(b) a semi-detached house or a house in a row of houses forming a terrace shall not be treated for the purpose of this section as forming part of a larger building.

(4) Any reference in this Part of this Act to a post-1918 dwelling-house shall be construed as a reference to a dwelling-house consisting of, or of part of, a building which was erected after, or in course of erection on, the second day of April, nineteen hundred and nineteen, or which has been since that date, or was at that date being, bona fide reconstructed by way of conversion into two or more separate and self-contained flats or tenements.

(5) Any reference in this Part of this Act to a small dwelling-house shall be construed as a reference to a dwelling-house of which the rateable value on the appropriate day did not exceed—

(a) in the case of a dwelling-house in the Metropolitan Police District or the City of London, one hundred pounds ; and

(b) in the case of any other dwelling-house, seventy-five pounds.

(6) In the last preceding subsection, the expression “ rateable value on the appropriate day ” has the meaning assigned to it by section seven of the Rent and Mortgage Interest Restrictions 2 & 3 Geo. 6. Act, 1939, and that section shall apply accordingly for the purposes of this subsection :

Provided that—

(i) where the rateable value on the appropriate day of a dwelling-house falls under subsection (2) of that section to be determined by an apportionment and no apportionment has been made by the county court, the valuation officer or, on appeal, any court or arbitrator

PART IV.  
—cont.

concerned, shall himself or themselves make the necessary apportionment for the purposes of this subsection ;

- (ii) if the dwelling-house has not been separately assessed and does not form part of some other property which has been separately assessed, the valuation officer, court or arbitrator shall treat the dwelling-house as being, or as not being, a small dwelling-house according as the net annual value thereof, calculated as if it were a small dwelling-house, does or does not exceed, in the case of a dwelling-house in the Metropolitan Police District or the City of London, one hundred pounds and, in any other case, seventy-five pounds.

Meaning of  
“hypothetical  
1938 cost of  
construction”.

**76.—(1)** References in this Part of this Act to the hypothetical 1938 cost of construction of a dwelling-house or building shall be construed in accordance with the provisions of this section.

(2) The Minister shall prepare, for each rating area, after consultation with the rating authority for the area, a statement which—

- (a) embodies specifications, set out in such detail as he thinks fit, of houses and buildings of such types as he thinks fit ; and
- (b) determines, in relation to each specification, the sum which is to be taken for the purposes of this section as the 1938 cost of constructing a house or building conforming to that specification.

(3) In compiling the said statements, the Minister shall be guided by the costs actually incurred by local authorities in either or both of the years nineteen hundred and thirty-seven and nineteen hundred and thirty-eight in constructing houses and buildings either in the rating area in question or in nearby comparable rating areas, but nothing in this subsection shall be construed as requiring the Minister, in selecting the specifications, to confine himself to houses and buildings of types actually constructed by local authorities in those or any other areas in those years :

Provided that, if the Minister is satisfied in relation to any local authority that the costs actually incurred by that authority, compared with the costs incurred by other authorities in constructing houses and buildings affording comparable accommodation, were substantially greater than they would otherwise have been by reason of exceptional circumstances existing in the rating area in question, he may for the purposes of this subsection treat those costs as being diminished by so much thereof as appears to him to be due to those exceptional circumstances.

(4) The valuation officer, or, on appeal, any court or arbitrator concerned, shall, for the purpose of arriving at the hypothetical 1938 cost of construction of a dwelling-house or building—

(a) assume that the cost in the year nineteen hundred and thirty-eight of constructing houses or buildings conforming with the specifications included in the statement prepared by the Minister as aforesaid for the area in which the dwelling-house or building in question is situated was in each case that which is determined in relation thereto in the statement; and

(b) estimate on that assumption what would have been the cost in that year of constructing a dwelling-house or building similar to the particular dwelling-house or building with which the valuation officer, court or arbitrator is dealing,

and the sum so estimated shall be deemed to be the hypothetical 1938 cost of constructing the house or building.

(5) In making any such estimate as is required by paragraph (b) of the last preceding subsection, the valuation officer, court or arbitrator shall take into account the cost of constructing garages, outhouses and other like appurtenances, and of paving and fencing yards, courts, forecourts and other like appurtenances, but shall not take into account the cost of providing or making up roads, or the cost of bringing to the site of the house or building drainage, water, electricity or gas, or of providing shelter from hostile attack from the air.

(6) A copy of the statement prepared by the Minister under subsection (2) of this section for any rating area shall be deposited at the offices of the rating authority for that area and shall be open to inspection during ordinary business hours, and any person shall be entitled to obtain from the rating authority a copy thereof for his own use upon payment to the authority of such fee as may be prescribed by regulations of the Minister.

**77.—**(1) References in this Part of this Act to the hypothetical 1938 site cost of a dwelling-house or building shall be construed in accordance with the provisions of this section.

Meaning of  
“hypothetical  
1938 site  
cost”.

(2) The Minister shall prepare, for each rating area, after consultation with the rating authority for the area, a statement—

(a) specifying a particular site or particular sites in or near the area; and

(b) determining, in relation to that site or, as the case may be, each of those sites, the sum which is to be taken as the 1938 cost of providing that site, developed as respects roads, drainage, water, electricity and gas to the extent specified in the statement.

PART IV.  
—cont.

(3) In preparing the said statements, the Minister shall select sites actually used by local authorities, whether in the year nineteen hundred and thirty-eight or at some other time, for the purpose of erecting dwelling-houses or buildings thereon, and shall be guided as respects the sums which he determines in relation to them by the costs incurred by local authorities in the year nineteen hundred and thirty-eight, or any other comparable period, in providing the sites or other comparable sites.

(4) The valuation officer, or, on appeal, any court or arbitrator concerned, shall, for the purpose of arriving at the hypothetical 1938 site cost of a dwelling-house or building—

- (a) select, where necessary, that one of the sites specified in the statement prepared by the Minister as aforesaid for the area in which the dwelling-house or building is situate which appears most appropriate; and
- (b) starting from the assumption that the cost in the year nineteen hundred and thirty-eight of providing the site, or the selected one of the sites, specified in the statement, developed as respects the matters aforesaid to the extent specified therein, would have been that which is determined in the statement, estimate what would have been the cost in that year of providing the site which, or part of which, is occupied by the particular dwelling-house or building with which the valuation officer, court or arbitrator is dealing, developed as respects the matters aforesaid to the extent to which it is in fact developed; and
- (c) where part only of the site the cost of which is estimated under paragraph (b) of this subsection is occupied by the particular dwelling-house or building with which the valuation officer, court or arbitrator is dealing, estimate the part of that cost which should properly be ascribed to the actual site of the said dwelling-house or building,

and the sum estimated under paragraph (b) or, as the case may be, paragraph (c) of this subsection shall be deemed to be the hypothetical 1938 site cost of the house or building:

Provided that if the cost estimated under paragraph (b) of this subsection exceeds fifteen hundred pounds per acre, the excess over fifteen hundred pounds per acre shall be disregarded, and the estimate, if any, under paragraph (c) thereof shall be made accordingly.

(5) References in the last preceding subsection to the site or the part of the site which is occupied by the particular dwelling-house or building or to the actual site of the particular dwelling-house or building include references to land occupied by garages, outhouses, gardens, yards, courts, forecourts and other like appurtenances forming part of the hereditament.

(6) A copy of the statement prepared by the Minister under subsection (2) of this section for any rating area shall be deposited at the offices of the rating authority for that area and shall be open to inspection during ordinary business hours, and any person shall be entitled to obtain from the rating authority a copy thereof for his own use upon payment to the authority of such fee as may be prescribed by regulations of the Minister.

78.—(1) Subject to the provisions of this section, the gross value of a post-1918 local authority or housing association dwelling-house, not being a flat or maisonette, shall be five per cent. of the hypothetical 1938 cost of construction of the dwelling-house plus five per cent. of the hypothetical 1938 site cost thereof. Post-1918 local authority or housing association dwelling-houses, other than flats and maisonettes.

(2) Where the state of repair or amenities of such a dwelling-house as aforesaid or the amenities of its surroundings are not as good as those of the majority of comparable dwelling-houses in the locality, being dwelling-houses to which this section applies, the gross value thereof shall be the amount ascertained under subsection (1) of this section diminished by such amount as may be just :

Provided that any factor affecting the amenities of the dwelling-house or its surroundings shall not be taken into account under this subsection in so far as it has already affected the hypothetical 1938 cost of construction of the dwelling-house or the hypothetical 1938 site cost thereof.

79.—(1) Subject to the provisions of this section, the gross value of a post-1918 local authority or housing association dwelling-house, being a flat or maisonette, shall be ascertained by reference to the sum of— Post-1918 local authority or housing association flats or maisonettes.

(a) the hypothetical 1938 cost of construction of the building of which the flat or maisonette forms part ; and

(b) the hypothetical 1938 site cost of that building,

and shall be five per cent. of so much of that sum as appears, on a just apportionment, to be properly attributable to the flat or maisonette.

(2) Where the amenities of the surroundings of the said building are not as good as in the case of the majority of the buildings in the locality which consist of or contain post-1918 local authority or housing association dwelling-houses (whether flats or maisonettes or not) comparable to the flats or maisonettes contained in the first-mentioned building, the sum referred to in subsection (1) of this section shall be reduced by such amount as may be just :

Provided that any factor affecting the amenities of the surroundings of the building shall not be taken into account under this subsection in so far as it has already affected the hypothetical 1938 cost of construction of the building or the hypothetical 1938 site cost thereof.

PART IV.  
—cont.

(3) Where the building has been destroyed in part, the hypothetical 1938 cost of the construction thereof shall be ascertained, and the apportionment referred to in subsection (1) of this section shall be made, as if the destroyed part was still in existence.

(4) Where the state of repair or amenities of the flat or maisonette itself are not as good as those of the majority of comparable post-1918 local authority or housing association dwelling-houses in the locality (whether flats or maisonettes or not), the gross value of the flat or maisonette shall be the amount ascertained under the previous provisions of this section diminished by such amount as may be just :

Provided that the said state of repair, and any other factor affecting the amenities, shall not be taken into account under this subsection in so far as it has already affected the hypothetical 1938 cost of construction of the building or the hypothetical 1938 site cost thereof, or has already been taken into account in making the apportionment referred to in subsection (1) of this section.

Other small  
post-1918  
dwelling-  
houses, except  
flats and  
maisonettes.

80.—(1) Subject to the provisions of this section, the gross value of any small post-1918 dwelling-house which is neither a local authority or housing association dwelling-house nor a flat or maisonette shall be five per cent. of the hypothetical 1938 cost of construction of the dwelling-house plus five per cent. of the value of the site on the first day of April, nineteen hundred and forty-nine, estimated on the basis—

- (a) that all buildings have been removed therefrom ;
- (b) that there is no impediment (whether of a legal nature or not) to the use of the site for the construction thereon of a dwelling-house of the same general character and dimensions as the existing dwelling-house and with foundations occupying the whole, or, at the option of the builder, any part of, the ground occupied by the buildings of the existing dwelling-house ; and
- (c) that any permission required by any statutory provision for that use of the site will be forthcoming unconditionally, and in particular, in the case of a permission under the enactments relating to town and country planning, will be forthcoming without the imposition of any development charge.

(2) If the state of repair or amenities of the dwelling-house are not as good as those of the majority of comparable dwelling-houses in the locality, being dwelling-houses to which this section applies, the gross value of the dwelling-house shall be the amount ascertained under the preceding provisions of this section diminished by such amount as may be just.

PART IV.  
—cont.

81. Where any part of a dwelling-house, being a dwelling-house to which one of the three last preceding sections applies, has been specially constructed or adapted for use for the purposes of any trade, business or profession, the gross value thereof, as ascertained under the relevant preceding provisions of this Part of this Act, shall be increased by such amount, if any, as may be just, having regard to any extra annual value for the time being conferred on the dwelling-house by the said special construction or adaptation thereof: Adjustment for adaptation for business purposes.

Provided that, where the dwelling-house is a flat or maisonette, any special construction or adaptation thereof shall only be taken into account under this section if and in so far as it has not already affected the apportionment required to be made of the hypothetical 1938 cost of construction, and the hypothetical 1938 site cost, of the building of which the flat or maisonette forms part.

*Other cases.*

82.—(1) Subject to the provisions of this section, the gross value of any dwelling-house the gross value of which is not ascertainable under any of the preceding provisions of this Part of this Act shall be estimated by reference to the rents for comparable dwelling-houses in the locality, being dwelling-houses to which this section applies, which were being paid on the thirty-first day of August, nineteen hundred and thirty-nine, under lettings in force at that date, whenever made. Gross value of other dwelling-houses.

(2) For the purposes of this section account shall, subject to the provisions of subsection (5) of this section, only be taken of rents charged under lettings where the landlord undertakes to bear the cost of the repairs and insurance and the other expenses, if any, necessary to maintain the dwelling-house in a state to command the rent.

(3) Where, under any such letting—

(a) the landlord undertakes any further obligation ; or

(b) the tenant does not undertake to pay all the usual tenant's rates and taxes,

the rent payable on that letting shall be adjusted, before being taken into account under subsection (1) of this section, by deducting therefrom sums representing the cost to the landlord of any services provided by him to fulfil any such obligation (exclusive of profit) and the burden otherwise falling on him by reason of his undertaking any such obligation or by reason of the tenant not undertaking to pay all the usual tenant's rates and taxes :

Provided that the said cost and the said burden shall be estimated by reference to the levels of costs prevailing in the year nineteen hundred and thirty-eight.

PART IV.  
—cont.

(4) Where, under any such letting as is referred to in subsection (2) of this section, the rent charged is less than it might have been expected to be but for the fact that the letting is to a servant of the landlord, the rent payable on that letting shall, in addition to any adjustment under the last preceding subsection, be adjusted, before being taken into account under subsection (1) of this section, by making such addition thereto as may be reasonable.

(5) Where, under any letting, the landlord undertakes to bear the cost of insurance and the other expenses, if any, necessary to maintain the dwelling-house in a state to command the rent, other than expenses of repair, and also undertakes to bear the cost of some, but not all, of the repairs necessary to maintain the dwelling-house as aforesaid, the rent payable under that letting shall be adjusted by adding thereto a sum representing the estimated cost of the said repairs so far as not undertaken to be borne by the landlord, and the rent, as so adjusted and, if need be, as further adjusted under subsection (3) of this section or under the last preceding subsection, shall be taken into account for the purposes of this section as if it were rent charged under such a letting as is mentioned in subsection (2) of this section :

Provided that the said cost shall be estimated by reference to the levels of cost prevailing in the year nineteen hundred and thirty-eight.

(6) In estimating the gross value of any dwelling-house in accordance with the provisions of this section, all necessary allowances shall be made for differences between the dwelling-houses which are taken into consideration.

(7) If, owing to the lack of comparable dwelling-houses actually the subject of lettings at the end of August, nineteen hundred and thirty-nine, it is not possible to arrive at the gross value of a dwelling-house in accordance with the preceding provisions of this section, or if the dwelling-house is one to which section seventy-two of the Local Government Act, 1929 (which relates to agricultural dwelling-houses) applies, the gross value thereof shall be estimated as if this Part of this Act had not been passed, except that regard shall be had to the levels of values prevailing in the year nineteen hundred and thirty-eight instead of to the levels of values prevailing for the time being :

Provided that where the gross value falls to be ascertained by reference to a rent (whether actual or hypothetical) the amount of which is referable in part to services provided by the landlord, the amount falling to be deducted from that rent, in ascertaining the gross value, as being the amount referable to the provision of those services shall be estimated by reference to the actual, or, as the case may be, the hypothetical, cost to the landlord of providing those services, exclusive of profit.

*Deductions from gross value.*

PART IV.

83.—(1) Subject to the provisions of this section, subsections (1) to (3) of section two of the Rating and Valuation Act, 1928 (which provide increased scales of deduction in arriving at the rateable value of certain houses and buildings) shall apply in relation to the making and alteration of—

Deductions from gross value in certain cases.

(a) the first valuation lists made after the passing of this Act ; and

(b) such subsequent valuation lists, if any, as may be prescribed by regulations of the Minister,

as they apply in relation to the valuation lists specified in those subsections.

(2) The Minister may by order provide that, in the case of hereditaments of such classes as may be specified in the order, being hereditaments consisting of houses or buildings without land other than gardens, the deduction or maximum deduction to be made from the gross annual value for the purpose of arriving at the net annual value shall, instead of being ascertained by reference to Part I of the Second Schedule to the Rating and Valuation Act, 1925, or by reference to the Third Schedule to the Valuation (Metropolis) Act, 1869, as the case may be, be such as may be specified in the order in relation to those classes respectively.

(3) An order under the last preceding subsection may be revoked or varied by a subsequent order of the Minister.

(4) Before any order is made under subsection (2) or subsection (3) of this section, a draft thereof shall be laid before each House of Parliament, and the order shall not be made until approved by resolution of each House.

PART V.

Board shall, in the year 1948-49 and all subsequent years, make such payments for the benefit of local authorities as are provided for by the subsequent provisions of this Part of this Act in lieu of the rates which would, apart from the provisions of this Part of this Act, be payable to rating authorities in respect of those hereditaments.

(2) Where any lands and heritages in Scotland are occupied by the British Transport Commission, the British Electricity Authority, the North of Scotland Hydro-Electric Board or an Area Electricity Board, and are owned by some other person, nothing in this Part of this Act shall relieve that person from his liability to pay rates in respect of his ownership of those lands and heritages, and the value for the purpose of such rates of those lands and heritages shall be ascertained and fixed by the assessor of the county or burgh within which they are situated and not by the Assessor of Public Undertakings (Scotland) and shall be entered in the valuation roll for that county or burgh.

For the purposes of this Act or of any apportionment among rating authorities or of any requisition to a rating authority, the rateable value of any such lands and heritages as aforesaid shall be taken to be such sum as bears to the rateable value entered in the valuation roll the same proportion as that part of the county or burgh rate as the case may be which is payable by owners only bears to the whole of that rate.
